A. General Information:

ISDs serve as a central support system for all public, charter and non-public schools that operate within their district. There are 56 Intermediate School Districts (ISDs) or Regional Education Service Agencies (RESAs) in the state of Michigan. No two are exactly alike. Each bases its work on the specific needs of its constituent public school districts. All offer leadership, programs, and services in the areas of instruction, career and technical education, special education, technology, and business related functions.

Fiscal Year	2022-2023
Total Budget	\$8,008,424
Pupil FTEs	2858
ISD Employees	55 FTEs
Constituent Districts, PSAs, Nonpublic	7

B. Travel Information:

While all board members and administrators had some travel expenses, no one individual met the \$3,000 threshold for reporting airfare, overnight lodging, car rental and meals.
